## Quarterly Total Amount Calculated

A taxpaying employer will owe a quarterly amount that is calculated by using their UI Tax Rate and other assessments and fees. The calculations below show the amount due for an employer with the following taxable wages, UI Tax Rate and assessments:

NOTE: The following are illustration purposes only and do NOT reflect actual wages paid or amounts due for any specific employer.

- Taxable Wages (for one quarter): \$75,252.13
- UI Tax Rate (includes Base Tax Rate and Experience Rating): $2.54 \%$
- Additional Assessment: 0.00\%
- Federal Loan Interest Assessment: 0.00\%
- Workforce Development Assessment: 0.10\%

| UI Taxes Before Assessments |  | Calculation |
| :---: | :---: | :---: |
| UI Tax Before Assessments: | Taxable Wages are multiplied by the UI tax rate. | \$75,252.13 * 2.54\% = \$1,911.40 |
| UI Assessments |  | Calculation |
| Additional Assessment | UI Tax before assessments multiplied by the Additional Assessment. | \$1,911.40 * 0.00\% = \$0.00 |
| Federal Loan Interest Assessment | UI Tax plus Additional Assessment, multiplied by the Federal Loan Interest Assessment. | $(\$ 1,911.40+\$ 0.00) * 0.00 \%=\$ 0.00$ |
| Total UI Taxes Due |  | Calculation |
| Total UI Tax Due | The sum of the UI Tax before assessments plus the Additional Assessment and Federal Loan Assessment round down to a whole dollar. | \$1,911.40 $+\$ 0.00+\$ 0.00=\$ 1,911.40$, rounded down $=\$ 1,911$ |
| Workforce Development Assessment |  | Calculation |
| Workforce Development Assessment: | Taxable Wages are multiplied by the Workforce Development Assessment and round down to the a whole dollar. | \$75,252.13*0.10\% $=\$ 75.25$, rounded down $=\$ 75.00$ |
| Total Quarterly Amount Due |  | Calculation |
| Total UI Tax Plus Workforce Development Assessment | Total UI Taxes Due plus Workforce Development Assessment | \$1,911.00 + \$75.00 = \$1,986.00 |
